

community. He serves or has served in various capacities on the boards for numerous organizations, including: the Boys and Girls Club of Northwest Indiana, where he is a past chairman of the board, the Southlake YMCA, for which he is a past president, the Juvenile Diabetes Research Foundation, Trade Winds, the Crown Point Community Foundation, the Diocese of Gary, and the Crisis Center in Gary, Indiana, where he currently serves as its chairman of the board.

While John has always been committed to his work and has remained active in the Northwest Indiana community, his greatest enjoyment is the time spent with his beautiful family. He and his wife, Louise, have one daughter, Lisa, a graduate of Butler University, and one son, Brian, who currently attends the University of Dayton.

Madam Speaker, at this time, I ask that you and my other distinguished colleagues join me in commending Mr. John Diederich as he is honored for his lifetime of service and dedication to the Northwest Indiana community. His years of service have touched and improved the lives of all whom he has served. His unselfish and lifelong dedication is worthy of the highest commendation, and I am proud to represent him in Congress.

IN RECOGNITION OF HILLSBOROUGH MAYOR CATHERINE "KITTY" MULLOOLY

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 25, 2008

Ms. SPEIER. Madam Speaker, this fall, one of California's most dedicated public servants will retire as Mayor of the Town of Hillsborough in the 12th Congressional District. The Honorable Catherine Mullooly, "Kitty" to all who know her, has been a beacon of light and volunteer extraordinaire since relocating from her native Wisconsin to our beloved Bay Area some forty-three years ago.

One year after graduating from the University of Wisconsin—Whitewater in 1964, Kitty came west with her new husband Doctor Thomas Mullooly, DDS, where she taught at San Francisco's St. Stephen's Elementary School prior to giving birth to her first child, Michelle. Two years later, their family was joined by son, Michael, and shortly thereafter the Mulloolys moved to Hillsborough where they have been ever since.

Kitty and Tom have brought smiles to peninsula residents for more than thirty years, through both dental healthcare and civic involvement. In fact, it is difficult to say "Mullooly" without smiling.

Kitty Mullooly's charitable work was recognized by her adopted hometown with Hillsborough's Community Care Award in 1985. She was further honored as 1989's Hillsborough Citizen of the Year. Three years later, Kitty was elected to the City Council, where she quickly impressed her peers with her hard-work and was re-elected for three subsequent terms.

During Ms. Mullooly's tenure in city government, she has been tapped to serve two terms as Mayor, including her current stint which began in 2006 and ends at the end of this year, when she will step down from her official

role in city leadership. But Madam Speaker, I know Mayor Mullooly, and I can assure you that she will not stray far from Town Hall. In fact, she lives just two doors away and I have a strong suspicion she will continue listening to her scanner so she can race with the firefighters she has helped her whole career to any call that goes out.

Kitty's commitment to our community has encompassed all aspects of daily life. She volunteered her skills for the Early Childhood Education/School Improvement Program, served on the Hillsborough Elementary School district Board of Trustees and the town's Recreation Commission and was the Chairwoman of our community's premiere charity event, the Hillsborough Concours d'Elegance. Regionally, Mayor Mullooly represents our community on the San Francisco Airport Community Roundtable, the San Mateo Area Emergency Services Council, and is a Board Member of Leadership San Mateo.

Now that Michelle and Michael are grown and married, Kitty and Tom have turned their attention to their grandchildren, Ashley and Christopher. Like your own, Madam Speaker, Kitty's grandchildren are fortunate to have a grandmother that will serve as an inspiration and role model for the rest of their lives.

Kitty is many things to me—my Mayor, my constituent and my friend. Any day spent with her is a good day. I have expressed my appreciation and admiration in private many times. A highlight of my short time in Congress is being able to do so in this most public of forums.

EARMARK DECLARATION

HON. ROBERT E. LATTA

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 25, 2008

Mr. LATTA. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information for publication in the CONGRESSIONAL RECORD regarding earmarks I received as part of H.R. 2638, The Consolidated Security, Disaster Assistance, and Continuing Appropriations Act, 2009. The following are the Department of Defense and Military Construction projects I have requested that have received funding approval:

Project Name: N-STEP Enabled Manufacturing Cell for Future Combat Systems.

Bill Number: H.R. 2638.

Account: RDTE, A.

Requesting Entity: Joint Systems Manufacturing Center/General Dynamics; 1161 Buckeye Road, Lima, Ohio 45804.

Project Description and Amount: Joint Systems Manufacturing Center-Lima (JSMC) has developed, designed, installed and implemented an N-STEP Enabled Reconfigurable Manufacturing Cell and has completed performance demonstration phases using automatic processes. To make the core equipment production ready for FCS, specific weld process development using the Friction Appurtenance Welder, FAW, must be completed. This funding request will provide for the necessary technical resources required to develop the weld machine parameters/specifications for support of vehicle production activities. \$2,400,000.

Project Name: Electronic Motion Actuation Systems.

Bill Number: H.R. 2638.

Account: RDTE, N.

Requesting Entity: Moog; FloTork Facility, 1701 North Main Street, P.O. Box 68, Orrville, Ohio 44667.

Project Description and Amount: The purpose of the project is to develop shipboard-qualified prototype electric actuators and demonstrate their satisfactory performance in shipboard applications. Successful completion of the technology will reduce shipboard personnel and reduce repair and maintenance costs. The Department of the Navy has repeatedly stated its desire for an all-electric ship. The target ship for this concept is the DDX which is due to hit the water in 2010. Environmental hazards associated with hydraulic systems will also be eliminated by moving to an electric actuator. \$800,000.

Project Name: Barracks, Camp Perry Training Site, Port Clinton, Ohio.

Bill Number: H.R. 2638.

Account: Department of Defense, Army National Guard.

Military Facility Address: Ohio National Guard, Camp Perry Training Site, 1000 Lawrence Road, Port Clinton, Ohio 43452.

Project Description and Amount: Provide \$2 million in P-341, unspecified minor military construction, funds pursuant to Title 10 U.S. Code 2805, to construct a new 80-bed barracks at the Ohio National Guard's Camp Perry Training Site, Port Clinton, OH. The request will increase the readiness of our servicemen and women in the Ohio National Guard and help them better prepare for the challenges they face both at home and abroad. \$2,000,000.

IN HONOR OF DR. SCOTT KENNEDY

HON. SAM FARR

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 25, 2008

Mr. FARR. Madam Speaker, I am proud today to rise to pay tribute to Dr. Scott Kennedy, a former mayor of Santa Cruz, CA. Dr. Kennedy has been named the 2008 recipient of the El-Hibri Charitable Peace Education Prize—which rightly recognizes his tireless, selfless and fearless promotion of peace and social justice in the Middle East and around the world.

It is with great pleasure that I call attention to Dr. Scott Kennedy's work to bring peace to the world over the course of his lifetime. He has been a Peace Educator for 40 years and was instrumental in pioneering educational delegations to conflict zones, now a widely practiced form of peace education. Scott has personally led more than three dozen delegations to the Middle East since 1979. He also helped establish Witness for Peace, which brought thousands of U.S. citizens to Nicaragua on short educational delegations.

Scott Kennedy co-founded the Resource Center for Nonviolence in Santa Cruz, CA, which is one of the most active community-based peace education centers in the Nation. The Center has been host to world-renowned international speakers, workshops, and programs focusing on the need for peaceful and just resolution of conflicts both locally and
